Louise D. Jakubik, PhD, RN-BC  
Course Instructor: Track A – 1-Day and 2-Day Symposiums  
Opening Session – 1-Day Symposium  

Dr. Louise Jakubik, pediatric nursing expert, speaker, consultant, and author, is dedicated to building and developing nurses in clinical practice and leadership. She is a national speaker who is a leading authority on the pediatric nursing certification review process, pediatric laboratory interpretation, and mentoring. Her publications include the first book designed to prepare pediatric nurses for taking a pediatric nursing certification exam, ‘Pediatric Nursing Certification Review.’ Dr. Jakubik is known for her down-to-earth presentation style and her ability to make “hard content seem easy.”

Susan Wade, MSN, RN, CPN, CCRN  
Course Instructor: Track B – 1-Day and 2-Day Symposiums  

Susan Wade is an expert in critical care nursing, speaker, and author. She has dedicated most of her nursing career to pediatric critical care and maintains an active clinical practice in a trauma center. As an authority on the Pediatric CCRN Exam and review process, Susan presents her 2-day Pediatric CCRN Review Course onsite at hospitals and at regional review course events.

Amy N. Johnson, PhD, RNC-NIC  
Course Instructor: Track B – 1-Day Symposium  
Closing Session – 1-Day Symposium  

Dr. Amy Johnson is an expert educator in maternal-child nursing while maintaining an active clinical practice in a Level III NICU as a certified nurse. Dr. Johnson is an authority on the Low Risk Neonatal Certification Exam (RNC-LRN) and Neonatal Intensive Care Certification Exam (RNC-NIC & CCRN) Exam and presents her 2-day review courses onsite at hospitals and at regional review course events. Dr. Johnson is known for her unique style of infusing her presentations with confidence-building activities to prepare participants to challenge and pass the certification exam.
